Subject: staffing

Bill,

Obviously I am very sensitive about timing for our response. After the drafts circulate this week/weekend, I think we should discuss adding another consultant to assist in the review of investigations, training, etc. My concern is that once our team produces a mountain of docs/data, then we will need more manpower on your side to review and advise us. Maybe a call to discuss on Monday?

Anthony P. Tabasso

President/CEO and

General Counsel
